

Funding graciously provided by the Hennepin County Green Partners Program and the U of MN Extension Hennepin County.

Green w/Envy 2.0 Community Composting and Recycling Events

Join the Green w/Envy Compost Captains, a project of Project Sweetie Pie, as we take the green path of growing fresh food with the locally sourced compost! Leaves, grass, kitchen “wastes” are valuable resources for the gardener! Zero waste is the goal. Learn about how YOU can be a part of the solution to pollution and the move to healthy living following nature’s path right here in YOUR community! *Healthy soil, healthy plants, healthy people!*

Keeping the Nutrients in the Neighborhood!

Good Morning in the Garden

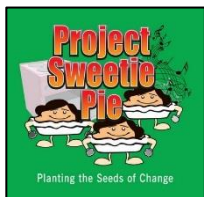

Saturday August 5th, 9:00 to Noon
Join Youth Farm and Project Sweetie Pie
at the Irving Community Garden, 246 Irving Ave. North (Ctrl+click)

Learn about growing your own food! Learn about composting –turning yard and kitchen “wastes” into “black gold” –fertility without oil. See composting bins in use, how compost is made and the good food that can be grown with compost enriched healthy soils!

Youth Farm provides year-round programs for youth ages 9 to 24. We farm to educate and train through gardens and greenhouses. We cultivate leadership through planting, growing, preparing and selling the food we grow.

Project Sweetie Pie (PSP) works to unite organizations, neighbors and community members; leveraging resources to transform communities. PSPs vision is to create gardens throughout the community providing healthy food access and developing training opportunities and food-based economic clusters that bring livable jobs to communities.
