

Connect With Your Community Online!

E-Democracy.org
www.e-democracy.org

Hey! That's us!

Once you're on the Internet, check out our special website: **www.BeNeighbors.org**.

Join an online neighborhood forum, start posting, and sign up to volunteer!

Twin Cities Wiki
www.twincitieswiki.org

The Twin Cities Wiki is a resource hub for everything you need to know to live in MSP. It's got listings for businesses, entertainment, etc.

Learn How to Use a Computer!

Local Libraries
www.bit.ly/msplib

Public libraries offer a variety of resources, including training on everything from email to finding jobs online.

They also have computers and iPads that anyone can use for free, as well as free wifi.

You can visit your area library or website for information on computers and training!

Technology Literacy Collaborative
www.tlc-mn.org

Visit TLC to find local computer labs, training and other resources to help you learn how to use the Internet.

EveryoneOn
www.everyoneon.org

Training and resources on how to connect to online access safely.

Getting Digitally Connected In the Twin Cities

**BeNeighbors.org
Resource Guide**

Connect with us:

contact@e-democracy.org
651-400-0880
Twitter @edemo, and on
Facebook at E-Democracy.Org

E-Democracy.org is a Twin Cities-based nonprofit building online neighbors forums to connect **everyone** with each other, share information about resources and events, and act on local issues. We know how important getting online is for finding a job, completing schoolwork, and connecting with your community. We also know how difficult it is to find affordable computer and Internet access. Use these resources to find free or discounted resources to help get connected. We hope to see you online!

Need A Computer?

PCs for People

www.pcsforpeople.com
1481 Marshall Ave., St. Paul
651-354-2552

Provides free computers to people 150% below poverty level or currently enrolled in a government assistance program. Call them to see if you qualify!

Free Geek

www.freegeektwincities.org
2537 25th Ave. S., Minneapolis
612-293-7339

Free Geek Twin Cities reuses or recycles computers and provides access to computers, the Internet, education and job skills in exchange for community service.

Volunteer (and learn how to build a computer) to earn a computer or purchase one in their thrift store.

Got Internet?

PCs for People

www.pcsforpeople.com

With the same proof of income eligibility it would take to get a computer (on left), anyone, including single adults, can get affordable wireless 4G Internet, and unlimited data for as low as \$10/month plus on one-time modem cost of \$50 or more. Call 651-354-2552.

Comcast

www.comcast.com

Offers \$10/month Internet if you have a child participating in the school lunch program. There are various other requirements, such as not having had an overdue bill from Comcast and not having subscribed to the Internet in the last 90 days. Call 1-855-8-INTERNET (1-855-846-8376) to learn more and apply.
