SAVE THE DATE!

Saturday, October 22, 1-5pm at SPNN
(550 Vandalia Street, Saint Paul)

Happy hour to follow

Eureka Recycling's Zero Waste Summit creates space to hear brief and dynamic presentations from local and national speakers, and to connect and collaborate with people from all aspects of the zero waste movement.

The 2016 Zero Waste Summit will focus in three key areas:

- › Zero waste is a solution to climate change
- › Zero waste is a solution for environmental justice
- › Zero waste is a solution that grows the local economy and builds community
