

**Get involved in your  
community with Kids  
Voting Minneapolis!**

*What: Help kids experience the democratic process at a young age. Answer questions and give instructions to students who are participating in "mock" voting.*

*Where: Minneapolis polling places. Kids Voting will be at 123 polling places across the city so we need lots of volunteers! We will do our best to schedule you at a polling place that is convenient to your home/work.*

*When: 3 hours on Election Day, November 4, 2014. A one hour training will take place before Election Day (Locations TBD).*

*Why: We believe that when kids can have an authentic voting experience at an early age, they are more likely to vote when they reach legal voting age. This is a one-time commitment but can significantly increase civic engagement in our community. Additionally, many volunteers return year after year because they really enjoy the experience.*

*If you want to aid Kids Voting Minneapolis in our mission "to foster an educated and engaged electorate by partnering with schools and families to enrich the civic education of Minneapolis K-12 students and to prepare them to be informed voters", here's what you can do.*

- 1) **SHARE** this information, even if you can't volunteer maybe your friends can.*
- 2) Volunteer at a polling place on Election Day, Nov. 4 for a three hour shift (2:00 pm-5:00 pm or 5:00 pm-8:00 pm) helping kids navigate their voting experience.*
